TO: City Council Members

FROM: Tom Tierney, Executive Director

SUBJECT: Background Information on Yesler Terrace

I am looking forward to meeting with you this Monday, Nov. 8 to bring you up to date on redevelopment activities at Yesler Terrace. In preparation for that meeting, I am forwarding the following materials:

1. The PowerPoint slide show, with notes, that we'll be presenting on Monday.
2. A current fact sheet on the Yesler Terrace redevelopment
3. A "Special Report" which serves as a reader's guide to the Draft EIS that is currently out for comment.
4. A summary of the public involvement and outreach activities that we have been engaged in over the past two years.

Your interest in and support of this redevelopment project is crucial for its success. I know that I speak for all Seattle Housing Authority staff in saying that we see the partnerships on Yesler Terrace between us and the City as the key to the entire project.
